

**Probably the most relevant capsule  
machine for the Nespresso® Pro disc**

# Java

**Aequinox Java: a design-driven capsule machine with superior technology. Straight lines, straight shapes and clear colors define a superior unit equipped with the most modern technology.**

The Java is a professional capsule coffee machine for the OCS and HoReCa markets. Small bistros, modern offices, trendy boutiques, lounge bars or coffee corners; the Java fits perfectly in a wide range of locations and environments.

The refined Java technology with 2 separate boiler system provides the perfect capsule machine with an average of 40 top quality cups of coffee daily.

The Java can be equipped with an innovative One Touch High Speed Cappuccino system which guarantees a top quality Cappuccino in the glimpse of a second. The system also has an easy to clean module which provides unparalleled convenience.

## 9 excellent flavours

### **LUNGO**

Slightly fruity note combined with floral aromas and refreshing acidity. Beautiful cream.  
100% arabica.

### **LUNGO FORTE**

Strong flavours and intense roasted aromas. Note of dark chocolate are refined by the extravagant composition of berries and black pepper.

### **LUNGO BIO**

Elegant organic coffee with pleasant notes of nut and cocoa.  
100% arabica.

### **ESPRESSO FORTE**

Fruity aromas, a hint of dark chocolate and full-bodied flavour.

### **ESPRESSO BIO**

A spicy organic espresso with cinnamon notes and aromas of roasted peanuts

### **ESPRESSO FORTE BIO**

Organic espresso with hazelnut flavor.

### **LUNGO FORTE BIO**

Organic espresso with notes of cinnamon and aromas of roasted peanuts. 100% arabica.

### **RISTRETTO**

Strong flavour from intense roast. Fruity dark berries with a full and elegant body. 100% arabica.

### **DECAFFEINATO**

A mild, decaffeinated coffee with subtle notes of orange and hazelnut
